

BAND FEES 2009-2010
Revised June 2009

The Executive Committee of the Band Parents Club has established a set of deadlines to help with our cash flow situation. Everyone is responsible for meeting the Band Fee obligation whether you choose to fundraise the entire amount, or not. Great care was taken to schedule around Christmas and to put due dates after strategic fundraisers. In this way, everyone can stay current and no one will have a huge amount due at the end of the year. In addition, invoices will be sent every two months, beginning in August. The schedule is as follows:
